

Easylift Premium

sykkelstativ

Easylift Premium er et brukervennlig 2-etasjes sykkelparkeringssystem. Syklene er parkert opp på hverandre, noe som doubler kapasiteten. Systemet benytter integrerte gassfjærer som hjelper brukeren til å få sykkelen løftet opp til det øvre nivå. Et unikt system demper ved nedsenkingen av syklene; dette gir en sikker og kontrollert "handsfree"-håndtering ved henting av sykkelen.
